The resolution of the Municipal council is in accordance with the suggestions made in para 2 of this office letter No L 8499 dated 28-5-1934. As the present resolution is different from that passed on 14-10-33 in regard to the exemption now proposed, it is not clear whether the formalities prescribed under section 65 of the city Municipalities Regulation have again to be followed in respect of the modified resolution

Viewed from the financial aspect the two cess is the same thing even though those now paying the special cess will be placed in a better position legally. The repetition of the formalities seems unnecessary
